HARVEST BIBLE CHAPEL **young adults**

COLLEGE • UNIVERSITY • CAREER

We are a group of people desiring to stir each other up to Worship, Walk with and Work for Christ. We have been drawn together by the God who made us and loves us. It is our heart's cry that we would grow together in a love relationship with God and live out our faith in a way that genuinely impacts those around us.

The Crossroads

As we begin our 2011-2012 year of Young Adult Ministry, we want you to know how excited we are in anticipating what God will do among us this coming year. In our first year, we averaged over 70 young people into our home. Along with Connie & Rod Bray, we have marvelled at God leading us out to start this ministry and how we saw His work among us.

Perhaps you're away from home, at university or college, or have stepped out on your own into the working world. This is an exciting and crucial time in your life! Your Harvest family wants to be a support to you as you begin your new adventure here in London.

Please accept our invitation to join with our Young Adults as we explore God's Word at our events. Our Lunch & Learn events are usually right after the morning service. We will offer you a tasty lunch and then we follow up with a time for singing, sharing and opening God's Word. You'll get food for your physical, emotional and spiritual body. The opportunity to interact with other young adults makes for a great boost to your Walk with the Lord. Our coming events are noted to the right in our events calendar.

Looking forward to our times together,
Chuck & Barb Kloetstra
