A GREAT COMMISSION COLLECTIVE CHURCH

WORK FOR CHRIST

If you love to meet and greet guests, have a great smile, and a sturdy wave, as well as possessing a sense of adventure and a love of the outdoors, then the Parking Lot Team is for you. The PLT is the front line of our welcome ministry and we are looking for more people to join. Sign up via the register!

BAPTISMS

We will be doing more baptisms in February. If you've never taken this step of obedience and feel God calling you to do so, contact karen@harvestlondon.ca, fill out a register, or visit harvestlondon.ca/baptism.

A NOTE FROM THE ELDERS

Our elders are very thankful for the ongoing growth in young families attending our church. This has been very encouraging to see, but has also put strain on our existing pool of volunteers in our Kids Ministry. After many efforts to recruit volunteers, and still falling significantly short on the number needed to provide the required supervision and care of children in our weekend services, our elders have decided that at least one parent of families using this ministry will be expected to serve a minimum of once a month. Although this may be difficult for some, it is our belief that this will be a blessing to you and your children, as you show them what it is to Worship, Walk, and Work for Christ.

NEW APP

We realize that there have been some issues with our new app, and sincerely apologize for this. Solutions are being worked on and we believe that issues will be rectified. We are still very excited about the many improvements and huge benefits this new app has over our old one. Although you need to log in the first time you attempt to take notes in the app, your notes will then be saved in the cloud, so that if you lose or replace your device, or even if you have to reload the app, your notes will all be saved, which is a new feature with this app. We appreciate your patience, and if you have any feedback or questions, please let us know at app@harvestlondon.ca.

A GREAT POST-SECONDARY OPTION FOR STUDENTS

We have a great Bible College and Seminary just an hour away in Cambridge. Heritage is a school very aligned with us in terms of theology and Biblical interpretation as well as model of ministry. Norm is the chairman of the Board at Heritage as our elders are very supportive of this school. We would strongly encourage parents and students to seriously consider a degree at Heritage. They also have a one year program to help cement you in God's Word and strengthen your faith before you head off to a secular university or college.
