AUSTRALIA PLANT UPDATE

Please continue to be praying for the Melbourne, Australia church plant as they prepare for their hard launch this August. PARENTS: Did you know that our Kids Ministry offering for the next several weeks is going toward the Melbourne Kids program? This is a great opportunity to teach your children about giving and putting God first, and it will also be a huge help to the Melbourne Kids program. Talk to your kids about it today!

SUMMER IS HERE!

With the warm weather here, we would like to remind our church family to please remember to dress appropriately, with modesty in mind.

SUMMER COFFEE HOURS

For the months of July and August, coffee will be available between 10:00 – 11:15 a.m. only. Also, no coffee will be available on holiday weekends.

GIVING REMINDER

We would encourage you to be faithful with your giving, especially through the summer months. We are currently about **\$65,000** behind budget and are asking the Lord to enable us to catch up to what is needed. Remember that giving through online banking is a great option! You can keep current with your donations, even while away. Contact **karen@harvestlondon.ca** to get set up for online giving.

HARVEST MARKET

We had 25 families visit our Market last weekend! This is the most we have had and is very exciting, but has created a greater need for more stock on the shelves. Please help us out by visiting **harvestlondon.ca/market** for a list of current needs, and drop donations off in the shopping cart downstairs.

HOSPITAL VISITATION

Did you know that we have a Hospital Visitation Team? If you or someone you know in our church would like a visit, contact **hospital@harvestlondon.ca**.
